

## 2022 Head Counsellor

### About Us

For 40 years, Camp Amicus has provided impactful and life-changing camp experiences for children, teens, and youth with Learning Disabilities, AD/HD, and related diagnoses. A place where participants are seen and understood for who they are, with individual supports in place for each camper to find understanding, build confidence and maximize their potential. All programs at Amicus are based on current evidence-based and peer-reviewed models and interventions.

Camp Amicus is operated by Foothills Academy Society. Foothills Academy has been a leader in working with children and youth with Learning Disabilities and associated disorders since 1979.

### About You

Camp Amicus is not only a place for our campers to grow but for our staff to grow too! We are passionate about helping staff develop new skills and find their passions within their role at Camp Amicus. Amicus staff are defined by their desire to grow, take responsibility for any missteps (we all make mistakes!), are flexible when changes happen, communicate with others clearly and honestly, and are self-starters. Amicus is not limited to folkx with a set background in working with children, or camp/recreation programs. We love having staff with little or no experience joining our team who want to learn as they often provide new perspectives on our programs, policies, and how Amicus can be successful.

### Position Summary

Note: For 2022 we are intending to provide both overnight and day camp programming. Staff hired will work in both programs and are not able to 'opt-out' of either program.

Working collaboratively with other head counsellors, Amicus Head Counsellors support a team of 4-6 frontline Camp Counsellors in developing their skill set to implement meaningful and impactful programs for our campers. Head Counsellors step in to support counsellors with meaningful and structured feedback on their programs, delivery of the programs, and the adaptation of the programs. Additionally, Head Counsellors give support to counsellors during escalating camper behaviours through supporting the camper, the staff or joining the counsellors group to support the other campers. Finally, Head Counsellors are responsible for supporting staff training through the leading of specific

components of staff training. Head counsellors are supported by their Counsellor Coordinator to find success in their role at camp. We take the development of our camp staff seriously, through over 100 hours of paid training and industry certifications such as Nonviolent Crisis Intervention and structured supervision and mentorship plans for each staff member.
