

2023 CIT Coordinator Job Description

About Us

For 40 years, Camp Amicus has provided impactful and life-changing camp experiences for children, teens, and youth with Learning Disabilities, ADHD, and related diagnoses. It is a place where participants are seen and understood for who they are, with individual supports in place for each camper to find understanding, build confidence and maximize their potential. All programs at Amicus are based on current evidence-based and peer-reviewed models and interventions.

About You

Camp Amicus is not only a place for our campers to grow but for our staff to grow too! We are passionate about helping staff develop new skills and find their passions within their role at Camp Amicus. Amicus staff are defined by their desire to grow, take responsibility for any missteps (we all make mistakes!), are flexible when changes happen, communicate with others clearly and honestly, and are self-starters. Amicus is not limited to folks with a set background in working with children, or camp/recreation programs. We appreciate having staff with little or no experience joining our team who want to learn as they often provide new perspectives on our programs, policies, and how Amicus can be successful.

Position Summary

Working collaboratively with the Camp Manager, the CIT Coordinator is responsible for the planning and implementation of our Counsellor in Training programs for teens in grades 11 and 12. We take the development of our camp staff seriously, through over 100 hours of paid training and industry certifications such as SIVA (Supporting Individuals through Valued Attachments) Training and structured supervision and mentorship plans for each staff member.

Note: For 2023 we are intending to provide both overnight and day camp programming. Staff hired may give their preference as to which program they prefer to work. While we try our best to accommodate staff's program of choice, there is no guarantee that is where they will be placed.
