

## Read/Write Intensive Programs

Please see the table below for an example of how an intensive program may be structured to account for instruction, assessment, and report writing hours.

Included in Cost	How Hours are Spent
Pre-Assessment	Day One of the program (2 Hours)
Instructor Report Writing	Day Two of the program (4 Hours) - Student does not attend
Instruction	Student attends all instructional days (Hours dependent on which intensive program the student is registered for)
Post-Assessment	Last Day of the program (2 Hours)
Instructor Report Writing	Completed after last program day (4 Hours) - student does not attend as the program has finished

## Total Hours Accounted for in Cost

- 2 Hours for pre-assessment
- 4 Hours for instructor to complete pre-assessment report
- Total instructional hours
- 2 Hours for post-assessment
