

Teacher of Science for Junior High School

Since 1979, Foothills Academy Society in Calgary, Alberta, has been optimizing the success of students with Learning Disabilities and is a leader in working with children and youth with Learning Disabilities including dyslexia, and associated disorders such as ADHD. We are a Designated Special Education Private School for grades 3-12, and have additional support from our year round Community Services department which reaches over 1,000 individuals in the community annually. We are a charitable organization with a strong culture of philanthropy. Our teachers provide a child centered approach that meets our student's diverse learning needs, which are supported by our 3 pillars:

1. Find Understanding
2. Build Confidence
3. Maximize Potential.

Foothills Academy is seeking a qualified and experienced **Junior High Science teacher for Grades 7-9. This is a position commencing in January until June 30th, 2024, with the possibility of becoming permanent full-time. The start date is flexible, and the application will remain open until a suitable candidate is successful.**

The academic program at Foothills encourages collaborative learning, creativity, and an understanding of the diverse learning needs of students with Learning Disabilities as well as adhering to the Alberta Program of Studies.

Qualifications and Preferred Experience:

Alberta Teaching certification (required)

Outstanding teaching evaluations

Experience teaching Junior High Science or related courses

Experience working with students with Learning Disabilities and/or ADHD

Experience teaching electives and extracurricular activities

What Skills Foothills Academy Teachers Possess:
