

Read/Write & Math Intervention Instructor

Unlike tutoring, Read/Write & Math Instructors are responsible for working onsite in our literacy and numeracy intervention program to provide ongoing one-to-one remedial instruction to children and youth who are experiencing difficulties with literacy and/or numeracy.

This position requires:

- A high degree of organization
- Reliability
- Ability to problem solve, consult with colleagues, and ask questions.
- Build strong relationships with students.
- Desire to learn.
- Minimum 4 instructional hours/week (2-4 students). PLUS 40 hours in the summer (4 weeks need not be consecutive; booster weeks are a minimum of 10hours/student Monday-Friday between 8am-4pm).
- Knowledge of, or willingness to learn about, learning disabilities and/or ADHD.
- Internal motivation.

What do you get?

- Paid training. Our training is exceptional and highly sought after by schools.
- Private office to work in.
- All supplies and support needed to be successful.
- Collegial environment.
- Rewarding work making a difference in young people's lives.
- Consistent and dependable hours.
- Start at \$25/hour for training and probation period.

Who are we looking for?

- Someone with outstanding interpersonal skills.
- Flexible thinking and ability to problem solve.
- Undergraduate degree (or at least 2 years into program) in Education, Linguistics, Communications, or related field.
- Passion for sharing knowledge and acquiring knowledge.
- Strong interest in math and/or literacy.
- Knowledge of Gmail, google suite, and ability to learn new computer
