

FAMILY COMMITMENT 101

What is it?

Each Foothills Academy family is asked to contribute a minimum of \$4,000 per year to help ensure that the school remains inclusive and accessible for all.

Why do we do it?

This shared commitment directly supports our goal of keeping Foothills Academy inclusive, accessible, and thriving for all families regardless of financial circumstance.

WAYS TO FUFILL YOUR FAMILY COMMITMENT

Direct Donations – Make a one-time payment of \$4,000 to go toward your Family Commitment, or a few installments throughout the year.

Monthly Giving – Set up recurring monthly donations.

Matching Programs – Many employers will match your donation, anywhere from a set amount (e.g., \$100) up to 100% of your donation.

FAPA (Foothills Academy Parents Association)

The funds and volunteer hours you contribute through FAPA can count toward your Family Commitment:

- Fundraising – Involvement in the FAPA Car Raffle, Casino shifts, and other fundraising activities are credited to your commitment.
- Volunteer Hours – Eligible FAPA volunteer roles (executive positions, directors, committee chairs, or committee members) are valued at \$25/hour toward your commitment.

Volunteering

Volunteering is another great way to contribute to your Family Commitment. Every hour is valued at **\$25/hour**.

Examples include:

- Helping at one-day or short-term school events
- Serving on a committee or supporting larger Foothills projects
- Taking on roles through the Foothills Academy Parents Association (FAPA).
