

Counsellor Coordinator Job Description

About Us

For over 40 years, Camp Amicus has provided impactful and life-changing camp experiences for children, teens, and youth with Learning Disabilities, ADHD, and related diagnoses. It is a place where participants are seen and understood for who they are, with individual supports in place for each camper to find understanding, build confidence and maximize their potential. All programs at Amicus are based on current evidence-based and peer-reviewed models and interventions.

About You

Camp Amicus is not only a place for our campers to grow but for our staff to grow too! We are passionate about helping staff develop new skills and find their passions within their role at Camp Amicus. Amicus staff are defined by their desire to grow, take responsibility for any missteps (we all make mistakes!), are flexible when changes happen, communicate with others clearly and honestly, and are self-starters. Amicus is not limited to folks with a set background in working with children, or camp/recreation programs. We appreciate having staff with little or no experience joining our team who want to learn as they often provide new perspectives on our programs, policies, and how Amicus can be successful.

Position Summary

Working collaboratively with the Program Coordinator, the Counsellor Coordinator supports our Head Counsellors and Camp Counsellors in developing their skill set to implement meaningful and impactful programs for our camps. Counsellor Coordinators support the highest levels of behavior management for our campers, and lead the decision-making process around interventions for our campers to ensure their needs are met and they are able to grow effectively in our program. Additionally, Counsellor Coordinators are responsible for supporting and leading specific components of staff training. Finally, Counsellor Coordinators act as the 'voice of camp' by leading staff meetings, providing the second level of staff feedback and performance reviews, communicating daily with the Camp Supervisor about camper and staff support needs, and joining conversations with families to ensure the highest level of care for our campers. Counsellor Coordinators are supported by the Camp Supervisor to find success in

their role at camp. We take the development of our camp staff seriously, through over 100 hours of paid training and industry certifications such as SIVA Training (Supporting Individuals through Valued Attachments) and structured supervision and mentorship plans for each staff member.

Note: For 2026 we intend to provide both overnight and day camp programming. Staff hired may give their preference as to which program they prefer to work. While we try our best to accommodate staff's program of choice, there is no guarantee that is where they will be placed.
