The annual raffle operated by the Foothills Academy Parents Association (FAPA) supports students at Foothills Academy.

Funds raised through the raffle and 50/50 draw support the bursary fund which is made available to any family in need of financial assistance to attend the school.

We are very excited to launch our raffle website, and now look to you, our amazing Foothills families, to spread the word about the raffle. We will be using social media reach of our families to drive ticket sales.

Please share the website link with family, friends, and co-workers, post the link to your various social media sites, and let's get the word out and raise funds for the wonderful students of Foothills Academy!

(Note that AGLC rules require that all ticket sales must be made by residents of Alberta who are 18 years of age and older.)

Family Commitment Details

All families (who have not already fulfilled their Family Commitment) are expected to promote the raffle and sell tickets to friends, family, and colleagues. The expectation is that each family will be responsible for selling \$600 (or more) worth of tickets.

Tracking Ticket Sales: For tickets purchased to count toward your Family Commitment, ensure that purchasers write in your child's or your family's name in the "Referred by" box.

Information about the raffle and complete rules can be found on the Foothills Academy website here:
