Dear Dr. Nearing:

Mr. H.A. Anderson of H.A. Anderson Associates of Calgary has written to me and discussed with me the possibility of establishing a private school for children with learning disabilities. From our discussions and his letter, Mr. Anderson's program would appear to meet our criteria for programs for this type of institution. I would like to stress that we have not given formal approval to Mr. Anderson's proposed school, and to do so we would have to examine the program, the facilities, and the staff. We would also have to be satisfied that the school was not established to make a profit. The program that Mr. Anderson proposes, however, is that which is followed by the Denver Academy, a school out-of-province which we have approved for the payment of grants.

I trust that this information will be helpful to you in negotiating with Mr. Anderson for space in one of the schools of the Calgary Separate School Board.

Yours sincerely,

E.J.M. Church, Director
