Dear Staff Members, Parents and Former Parents of Foothills Academy:

On behalf of the Board of Directors of Foothills Academy Society, I wish to announce the appointment of Mr. Gordon Bullivant as Executive Director of Foothills Academy. He will assume this position March 1st.

Currently, Mr. Bullivant is Principal and Education Director of Dr. Gordon Townsend School at Alberta Children's Hospital. He is an Educational Psychologist having received a B.A. from The University of Oklahoma, B.Ed. and M.Ed. from The University of Calgary, and, pending the completion of his Thesis, will receive a Ph.D. from The University of Calgary.

Mr. Bullivant is an energetic, dynamic individual who brings to Foothills a wealth of knowledge and experience in the field of Special Education and in particular Learning Disabilities. He has given over 350 workshops and seminars across Canada in various facets of Learning Disabilities, Special Education and Neurological Correlates of Education; appeared on numerous talk and public affairs programs on Radio and Television; written many articles in journals and newsletters regarding learning disabilities and motivation; was formerly a Master Teacher at The University Elementary Demonstration School and is presently a member of the Board of Directors of The Learning Centre.

You are cordially invited to meet Gordon and his wife, Pat, at a Wine and Cheese Night to be held at the school on January 25th at 8:00 p.m. Gordon will be talking about his perceptions of Foothills Academy and its direction for the future. He will be pleased to answer any questions you may have. Please circle January 25th on your 1983 calendar.

Sincerely,

W. R. Mackasey, Chairman
Board of Directors
Foothills Academy Society
