### General Supplies:

*To be updated in August of 2023*

We provide this list and do our best to update it regularly to support our community in supporting us.

In the past, our supporters have used the following ways to donate items:

- soliciting businesses directly - feel free to use our request for donations letter
- using 'points' to purchase items on our lists
- using 'cash back rewards' to purchase items on our lists
- shop sales (like amazon prime day) to increase the value and decrease the cost to provide an item
