

To our valued community members,

Since 1979, Foothills Academy Society has been a cornerstone of Calgary, focused on supporting children, youth and their families with Learning Disabilities and ADHD, through individualized wrap-around services. None of our impact is possible without the generous contribution from businesses like yours.

Learning Disabilities and ADHD deeply affect the children and youth we support, who experience significant challenges in reading, writing, numeracy, emotional regulation, social skills, and in their daily life. With the support we are able to provide these children and youth, they are able to gain and retain skills in these areas which allow them to fulfill their potential academically, socially and in pursuing their passion.

Annually, our programs support over 2000 children and youth, and thousands of parents and professionals who support these young people. Our programs include;

- Read/Write & Math - Remediated literacy and numeracy programs.
- Amicus Camps & Recreation - low ratio programs focused on social skill development.
- Psychological Services & Programs - low-cost psychoeducational assessments, individual and group counselling, executive function skill development programs and parent support groups.
- Community Education & Professional Development - providing current and impactful research through online courses and in-person sessions.
- School Program - serving 290 students with diagnosed Learning Disabilities in grades 3-12.

To ensure that our programs remain accessible for the thousands of individuals we support, we raise \$1 Million Dollars every year to provide financial support through our internal bursary programs.

Foothills Academy hosts several community-focused events throughout the year—each one offering opportunities to support our mission through in-person and online silent auctions. These events attract hundreds of attendees and thousands of online participants, making them a fantastic way to showcase your business or contribute as a community partner. Donations of gift cards, items, and services help us raise critical funds, with all proceeds going directly toward our evidence-based programs and services that support children and youth.

All donors will be recognized at the auction, through our event program and on our website. All donations are eligible for a tax receipt (within the limits of CRA regulations).

Thank you for considering Foothills Academy Society,

Brianna Gare
